ONCOLOGY CONUNDRUMS

Solving Through NCCN 2024 Evidence Based Guidelines

17th-19th
May 2024

Dear Colleagues,

We are thrilled to extend a warm invitation to you to attend the upcoming conference on **"Oncology Conundrums: Navigating Complex Clinical Scenarios."** This conference will be organized at **JW Marriott Hotel, Aerocity, New Delhi** from Friday to Sunday, **17th to 19th May 2024.**

This conference promises to be a dynamic platform for oncology professionals like you to engage in insightful discussions, share experiences, and explore innovative approaches to challenging cases in oncology practice.

The conference will bring together leading experts, researchers, clinicians, and practitioners in the field of Medical, Surgical & Radiation oncology to delve into a wide range of conundrums encountered in clinical practice. Through interactive sessions, case presentations, panel discussions, and workshops, participants will have the opportunity to:

- Discuss complex clinical scenarios and treatment dilemmas.
- Exchange best practices and novel strategies for managing oncological challenges.
- Explore the latest advancements and innovations in oncology care.
- Foster collaborations and networking with peers and experts in the field.

Your presence at the conference would greatly enrich the discussions and contribute to the success of this event. We believe that your expertise and insights would be invaluable in addressing the diverse array of oncological conundrums that will be explored during the conference.

Should you require any further information or assistance regarding the conference, please do not hesitate to contact us at oncologyconundrums@gmail.com

Thank you for considering this invitation. We look forward to welcoming you to the conference and to the enriching exchange of ideas and experiences that lie ahead.

Regards,

Dr. Shivam Vatsal
